 22. Each lot is at the Vendor's risk of any damage or injury whether by disease, accident or otherwise from the time of arrival for the period the lot shall be in the TOBA'S custody, unless such lot shall have been sold, in which case such lot shall be at the Purchaser's risk in all respects from the fall of the hammer. 23. The description, pedigree and engagements of lots are supplied by the Vendor, who alone is responsible for their accuracy.
24. Save in the case of any statements made by the TOBA or the Auctioneer without the authority of the Vendor, the TOBA and the Auctioneer shall not incur any liability to any Purchaser in respect of any announcement or statement relating to or affecting any lot offered for sale, nor shall they incur any liability in relation to any dispute between any Purchaser and Vendor. Save as aforesaid and without prejudice to any liability of the Vendor, it shall be deemed that no condition or warranty expressed or implied has in any circumstances been given by the TOBA or the Auctioneer whether as to title, the quality of any lot sold or otherwise.
25. Each lot is sold in its actual state at the time of the sale and no lot is returnable on account of any defect in the lot. No condition or warranty is implied with regard to any such defect.
